RE: The Detroit Public Safety Foundation request to accept a grant to support the Drive to Thrive Program

The General Motors Foundation has awarded the Detroit Public Safety Foundation with a grant for a total of \$125,000.00. There is no match requirement for the grant.

The objective of the grant is to support the Drive to Thrive Program. The funding allotted to the department will be utilized to continue providing free drivers training and mentoring/educational classes for 125 students in approximately seven high schools.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,

Ryan Friedrichs
Director, Office of Development and Grants

Dear Patricia Kukula ,

Congratulations! General Motors is pleased to support the following program: Drive to Thrive. An Electronic Funds Transfer (EFT), in the amount of \$125,000.00, has been initiated to the bank account provided in our system. You can expect that EFT within 20 days.

General Motors is committed to serving and improving communities around the world, with a vision of making them smarter, safer and more sustainable. This vision is made possible through the diligent work of nonprofit partners such as you.

By receiving these funds, you agree to comply with the terms and conditions of the grant throughout the grant period and confirm that there has been no change in your IRS 501(c)(3) tax classification. You also confirm that there have been no goods or services rendered to General Motors in exchange for these funds.

We offer our best wishes for success in the implementation of your funded program. To ensure success, you will be required to report out on your progress, successes, challenges and results through the submission of an interim Impact Report and a final Impact Report.

Until then, your General Motors program officer is available to provide you with any assistance along the way.

Sincerely,

General Motors Corporate Giving

HONORABLE CITY COUNCIL

RE: Petition #1079 – The Parade Company, request to install 10 banners on Griswold St. between Lafayette Blvd. and Congress St. from November 20th, 2019 to November 29th, 2019 in order to celebrate The Parade Co. and Strategic Staffing Solutions Turkey Trot Thanksgiving Run.

The Department of Public Works, Traffic Engineering Division received the above referenced petition. This department has no objections to the placement of banners, provided that the banner installation is in compliance with the banner policy adopted by your Honorable Body on November 30, 2001, and subject to the following conditions:

1. **Ten (10)** banners are to be located along Griswold St. between Lafayette Blvd. and Congress St. as shown in the attached map.
2. The duration of banner installation shall be from November 20th, 2019 through November 29th, 2019.
3. Banners shall not exceed thirty-two (32) inches in width by ninety-four (94) inches in height and should be acrylic or vinyl with standard slitting (also called “Happy Faces”).
4. Banners shall be affixed to allow minimum of (15) feet clearance from walkway surface.
5. Banners shall not include flashing lights that may be distracting to motorists.
6. Banners shall not have displayed thereon any legend or symbol which is, or resembles, or which may be mistaken for a traffic control device, or which attempts to direct the movement of traffic.
7. Commercial advertising is strictly prohibited on all banners; including telephone numbers, mailing addresses, and web site addresses.
8. A sponsoring organization’s logo and/or name may be included at the bottom of the banner in a space no more than ten (10) inches in height by thirty (30) inches in length, and letter size shall be limited to four (4) inch maximum and placed at the bottom of the banner.
9. Sponsoring organizations may not include messages pertaining to tobacco and related products, alcoholic beverages, firearms, adult entertainment or sexually explicit products, or political campaigns.
10. Sponsoring organizations may not include legends or symbols which may be construed to advertise, promote the sale of, or publicize any merchandise or commodity, with the exception of sponsorship as described in the banner policy (see section 9 of the policy).
11. Banner placement must be a minimum of 120 feet or every other pole apart, whichever is greater, including banners that may exist at the time of the installation and is limited to a two thousand (2000) feet radius area of the event location or within the stated organization’s boundaries.

CITY CLERK 2019 SEP 17 PM 2:47

HONORABLE CITY COUNCIL (Cont.)
Petition #1079

12. The design, method of installation and location of banners shall not endanger persons using the highway or unduly interfere with the free movement of traffic.
13. The petitioner *SHALL* secure an approval from **Public Lighting Department** to use their utility poles to hang the banners.
14. The petitioner *SHALL* secure Right of Way permit from City Engineering Division every time the banners are changed/replaced.
15. The wording on the banners will be (please see below).

If deemed appropriate by the City of Detroit, The City reserves the right to have the banners removed by the Petitioner at the Petitioner's cost prior to expiration date.

Honorable City Council:

RE: Petition No. 590 — First Latin American Baptist Church, request to vacate and convert to easement the alley adjacent to their property located at 2004 Scotten Ave.

Petition No. 590 — First Latin American Baptist Church request to vacate and convert to easement part of the north-south alley, 20 feet wide, in the block of Vernor Highway, 66 feet wide, Wolff Avenue, 50 feet wide, Scotten Avenue, 66 feet wide, and Palms Avenue, 50 feet wide.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request is being made to facilitate a future development.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering - DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution. DTE Energy reports involvement because they have services in the area; a specific provision to maintain access to DTE facilities is a part of the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer
City Engineering Division – DPW

CITY CLERK 2019 SEP 27 4:02 PM

BY COUNCIL MEMBER _____

RESOLVED, that part of the north-south alley, 20 feet wide, in the block of Vernor Highway, 66 feet wide, Wolff Avenue, 50 feet wide, Scotten Avenue, 66 feet wide, and Palms Avenue, 50 feet wide; further described as land in the City of Detroit, Wayne County, Michigan being:

The part of the north-south alley, 20 feet wide, lying easterly of and adjoining the easterly line of Lot 1 and the southerly 8 feet of Lot 2, and lying westerly of and adjoining the westerly line of the southerly 30 feet of Lot 24 "Plat of Wolff's Subdivision of Lots 6, 7 & 8 of Scotten's Subdivision of Lots 71, 72, 73 & 74 of P.C. 563 Springwells (Now Detroit) Wayne County, Michigan" as recorded in Liber 8, Page 35 of Plats, Wayne County Records; and being further bounded on the South by the westerly line of the public alley, 13.5 feet wide, extended northerly to the north line of the public alley, 10 feet wide, as extended westerly, all in the above described block.

Be and the same is hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division – DPW,

Fourth, that if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, that if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, that the property owners maintain for DTE Energy, full access to their facilities at all times (i.e. if gated access to the easement is installed, such gated access shall include DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, that an easement, the full width of the existing rights-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, that free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, that the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, that said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, that if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, that the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:

RE: Petition No. 1554 — Giffels Webster, request outright vacation of the alley bounded by Second Avenue, Bethune Street, Woodward Avenue, and Lothrop Avenue.

Petition No. 1554 – Giffels Webster, request to vacate part of the east-west public alley, 20 feet wide, and a north – south alley 20 feet wide in the block bound by Woodward Avenue 100 feet wide, Lothrop Avenue 80 feet wide, Second Avenue 80 feet wide and Bethune Avenue 60 feet wide.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request is for parking and loading for the Albert Kahn Building.

The request was approved by the Solid Waste Division –DPW, and Planning and Development, and Street Design Bureau – DPW, Great Lakes Water Authority, and Public Lighting Authority, and Public Lighting Department.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the outright vacation of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer

Honorable City Council:

- 1) RE: Petition No. 490 — Detroit Department of Public Works City Engineering Division, request the conversion to easement portions of Eliot Street, 50 feet wide, from Russell Street, 86 feet wide to Riopelle Street, 50 feet wide.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request is being made for MILANO BAKERY's development project. MILANO BAKERY shall pay the costs required to abandon and relocate active utility lines in the subject streets and alleys. Alternatively, MILANO BAKERY may grant private easements to existing utilities to allow them to remain in place while providing access for repairs or replacement.

The request was approved by the Solid Waste Division – DPW, and City Engineering - DPW. Traffic Engineering Division – DPW (TED).

Detroit Fire Department (DFD) reports involvement but no objection provided MILANO BAKERY maintains emergency vehicle access to all existing building structures and hydrants.

Detroit Water and Sewerage Department (DWSD) has no objection to the requested conversion to easement vacations, provided certain conditions are met. The specific DWSD conditions and provisions for granting of private easements are included in the resolution.

All other involved City Departments, and privately owned utility companies informed of this petition have reported no objections to the vacations. MILANO BAKERY's commitment to continue working with all involved public and private utilities to protect their installations is incorporated in the attached resolution.

RESOLVED, for the outright vacation all of the following parts of Eliot Street in the City of Detroit, Wayne County, Michigan further described as:

Eliot Street, 50 feet wide, from Russell Street, 86 feet wide to Riopelle Street, 50 feet wide; lying southerly of and adjoining the southerly line of Lots 17 through 24, both inclusive and the vacated alleys adjoining said Lots 17, 18 and 24 "Walter Crane's Subdivision of Out Lot No.24 Guoin Farm" as recorded in Liber 20, Page 24 of Plats, Wayne County Records; also lying southerly of and adjoining the southerly line of Lot 24 and vacated alley adjoining, and lying northerly of and adjoining the northerly line of Lot 25 and vacated alley adjoining "Subdivision of Lots 55, 56, 59, 60, 63 and part of 52 of the Riopelle Farm, North of Gratiot Street" as recorded in Liber 1, Page 20 of Plats, Wayne County Records; also lying northerly of and adjoining the northerly line of a parcel of land being the south 296 feet of the north 321 feet of the west 306.60 feet, measured (306.90 feet, record) of Out Lot 25 lying east of and adjoining the east line of Russell Street "A part of the Guoin Farm, North of the Gratiot Road as subdivided at the request of the Corporation, Oct. 19, 1834 A. Hathon - Surveyor" as recorded in Liber 9, Page 83 of City Records, Wayne County Records

be and the same is hereby vacated as a public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public street herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public street in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, said utility easement or right-of-way in and over said vacated street herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences), shall be built or placed upon said easements, nor change of surface grade made, without prior approval of the City Engineering Division DPW, provided, however, said owners may maintain, repair and replace any existing concrete slabs or driveways and all existing fences in their location existing on the date hereof.

Fourth, that if the owners of any lots abutting on said vacated street shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners making such request shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, that if any utility located in said property shall break or be damaged as a result of any negligent or wrongful action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns causing such damage shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, that the Public Lighting Department shall have unimpeded access to their facilities in the easement area for maintenance and repairs, and further,

Provided, that the petitioner maintain Fire Department vehicle access to all buildings, structures, fire hydrants, and fire department connections, and further

Provided, that an easement, the full width of the existing right-of-way is reserved for DTE Electric Company (DTE) for the purpose of installing, maintaining, repairing, removing, or replacing any overhead and underground utilities facilities which may consist of underground vaults, pipelines, poles, guys, anchors, wires, manholes, conduits, pipes, cables, transformers, and accessories (collectively DTE facilities) with the right of ingress/egress at any time to, and over said easement for the purpose above set forth, and further

Provided, that free and easy access to the DTE facilities within the easement is reserved for DTE equipment including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the facilities, and further

Provided, said owners of the adjoining property for themselves, their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls, shall be built or placed upon said easements, nor changes or storage of materials, shall be made within said easement without prior written approval of DTE, provided, however, said owners may maintain, repair and replace any existing concrete slabs or driveways and all existing fences in their location existing on the date hereof, and further

RE: Demolition damage to 6350 DeSoto, Detroit

Background

In June of this year Homrich caused damage to the structure, gutter and downspout at 6350 DeSoto while demolishing an adjacent home. At the homeowner's request, Homrich dispatched a laborer to 6350 DeSoto to repair the damages.

When asked about the quality of the repair, according to the homeowner, the laborer stated the gutter had to be installed in a manner pitched away from the roof to ensure it is secured to the roof. (See the attached photographs).

Since that time the homeowner has initiated numerous conversations with Homrich representatives regarding removing and properly reinstalling the gutter and downspout after performing the needed repairs to the structure. This matter remains unresolved.

Please provide answers to the following:

1. What has the DLBA done to resolve this ongoing matter?
2. Does the DLBA maintain records of private properties damaged during demolition of land bank owned homes.
3. If yes, to question 2 above,
 - a. How many private properties have been damaged to date?
 - b. How many private properties have been satisfactorily repaired to date?
4. Is there a reporting process whereby demolition contractors report damages to private property?
5. Is there a process in place for the inspection of damages to private property damaged during demolition.
6. Is there a process in place for the inspection of repairs to private property damaged during demolition.
7. If yes, to question 4, 5 and 6 above, please provide copies of the inspection reports for 6350 DeSoto.
